I, Amanda Alonzo, I am writing this statement at the request of Pastor Hayes attorney to say that I do not wish to press any charges against Pastor Hayes. I have asked Mara Padilla to come to my house to set the record straight because Hayes did not cause any physical or psychological harm. Cynthia Maldonado, David ~~De~~ Coronado, Jaime ~~From~~ ~~the~~ who, I believe worked for the Attorney General's ~~3~~ Medicare fraud took a statement from me. I was not given a copy of that statement and I was not given a copy of my statement. and so did not correct my statement. I do remember that I told them ~~that~~ Pastor Hayes did nothing wrong. He always

treated me with respect.
He never touched me improperly.
They also said that Pastor
Hayes did nothing wrong. They
said he doing nothing wrong
unless he did a pelvic examination.
Pastor has did not do a
pelvic examination on me. In
2001 and 2002 I remember
that I went to the Family
Medical Center about 10 times.
I was always treated in a
nice way. I was not told I
would be a witness against
Pastor Hayes. I believe they
are changing the whole story
around. This is not right.
I do not want to be part of
a false case. I have not been
harrassed by Mara Padilla nor
by Bob Bennett. This is my
signature.
