I, Elizabeth Quiroz. Am writing this letter at the request of Pastor Hayes attorney and to give him a statement that I do not wish press any charges against Pastor Hayes. I have asked Martha Padilla to come to my house ~~is~~ along with Mr. Bennett to give this statement. I told Cynthia Maldonado that pastor Hayes never disrespected me always acted in a professional manner. (the 5 times I went to Family Medical Center) Maldonado ~~is trying~~ <sup>EQ</sup> knows I have always said that Pastor Hayes always treated me with respect. I have given this statement based on my own free will without any payment, or force.

I just want to tell the truth. I have agreed <sup>that</sup> Mrs. Pegurin may call to verify the statement. You may call me at (956) 793-3965.
